

# Machine Shop:

\* explain our project to them

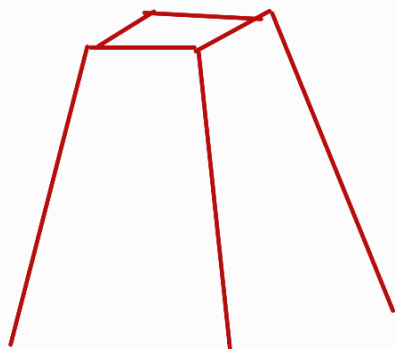

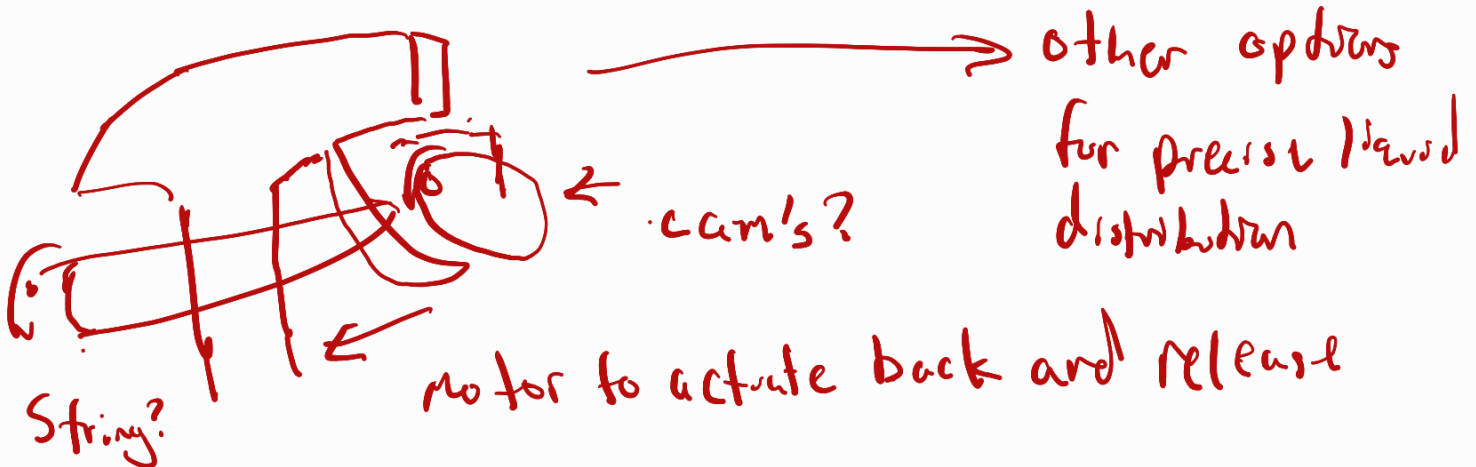

\* ask about spray head for nutrients (show pic)

\* ask about pot enclosure (can we manufacture it)?

↳ 1-2 gal for top

\* Basically, nutrient assembly and pot

↳ ask about valves, pumps needed, etc.

just a big rectangular  
dome - room for  
wiring  
fan  
square on top for  
vents

\* do not have valve w/ pipe

↳ use sump pump

\* no valves, use a pump w/ hose

\* store room, 1-2 slats,  
just rotate the shaft
